

Thank you for your interest in the 2025 Greater Tulsa Home & Garden Show, which is scheduled for March 6 – 9, 2025 at the SageNet Center at Expo Square. This event is an ideal place to increase your customer base, make sales and demonstrate and explain your products and services.

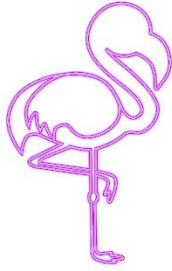

A Tulsa tradition since 1949, the Greater Tulsa Home & Garden Show™ has become a spring event in Tulsa, attracting attendees not only locally, but also from regions throughout Oklahoma and surrounding areas. There's nothing quite like this Show and being an exhibitor is a once-a-year opportunity to meet over 35,000 potential customers face to face. We are always looking for new and interesting products for our show and if you have a home or garden-oriented product or service to sell, this is a great way to expand your business.

An application form is on the following page. Available booth space is assigned by products/services that are not already substantially represented in the Show and HBA membership. We do this for the vendors as well as the attendees. We also work very hard to keep our Show “home and garden product” focused, so please know that when submitting your application. An application must be submitted to be considered for the show. If a booth should become available you will be contacted, this usually happens a few months before the Show.

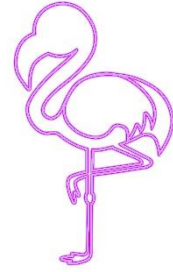

Please Note: Submitting this application **does not** constitute a contract or ensure space to participate in the Show. By completing this application, your company will be placed on the 2025 Waiting List until approved. Do not send money at this time! Further, we reserve the right to deny admittance for participation for any applicants, which offer goods, or services, which we deem inconsistent with the theme of the Show. Our decisions not to allow participation by an applicant are final.

If you have any questions, please contact me at sgentry@TulsaHBA.com

Sincerely,
Sarah Gentry

TULSA HOME & GARDEN SHOW

Dear Exhibitor:

Thank you for your interest in the 2025 Greater Tulsa Home & Garden Show. Please read the instructions and make your selections on the separate form provided.

Instructions:

1. Review the map carefully before making your selections. Anything marked out is not available. To can view the current floorplan
2. Once you have made a selection look back at the map. If there is a small square in the booth –this means you will have an electrical box in your booth and by selecting this booth you are acknowledging this is acceptable.
3. Also, notice if your selected booths have been tagged with “late move in/early move out”. This means you cannot move in before 7pm on Wednesday, March 5 and you will be the first to move-out on Sunday, March 9.
4. **You must give 4 or more booth choice** – forms submitted with only 1 choice will be sent back which will result in delay in your booth selection.
5. **Forms will be assigned on seniority of years in the show, then first received, first assigned basis.**
6. If this form is not received back you **will not** be assigned a booth location until I hear from you. This means I may have moved on to the next round of seniority in which case you will be moved to the top of that round for seniority.
7. When I receive your booth selection form and have assigned you a booth, you will get an email from me with a link that will take you to your contract. Please read the directions on the contract as you go through it. Most everything will be done via email, but there will be times that I send out paper copies of things.
8. Be patient, I will work as fast as I can to process requests, but it may take a couple of weeks to process everything. Thanks!

**Special Note – I will not be able to take booth placement over the phone. This form must be filled out and submitted to keep everything fair. Thank you for understanding.*

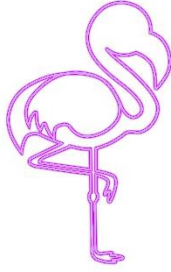

Sincerely,

Sarah Gentry
